

# Sample Introduction: Loved Ones Why Should We Talk About This?

THERE ARE STORIES ABOUT THIS OUT THERE...

- *Reference Za, Terri Schiavo or a personal story.*

OUR CONVERSATION CAN MAKE THE DIFFERENCE...

- *“I want you to be able to communicate for me if I am too sick to speak for myself and not ‘second guess’ yourself”*
- *“When I am in a vulnerable state, I don’t want to worry that you will listen to others opinions about ‘what is best for me’.”*
